

Grant Cycle 2016-2020

Marking a new era in the history of the Adams Legacy Foundation, its 2016-2020 Grant Cycle will focus on the power of **nature** as a source of renewal, delight, education, nourishment, healing and hope – for individuals, families and the community.

Successful grant applications will emphasize a ballanced and integrated approach as a driver and/or lense for innovative projects that address the intersection of **nature** and ...

- Education
- Arts and Architecture
- Conservation of land and wildlife
- Food and clean water systems
- Re-integration of military personnel into civilian life
